

MATTHIS DESSUS

STUDENT & ENTREPRENEUR

Young student of 20 years old, passionate about the world of digital and entrepreneurship in all fields. Voluntary and energetic, I am open to others. Artistic through my video production and my photography practice, I know how to vary work and pleasure while keeping a certain limit of seriousness and commitment.

20 years old | Driver License

Languages : French | English

EXPERIENCES

ENTREPRENEUR

Influencer "Hiroz" - Montpellier, FRANCE

With more than 250,000 subscribers and more than 17,000,000,000 views, I bring together a large community on the Internet thanks to my regular work, my seriousness and my availability to my audience. This opportunity, which I have been constantly improving for more than 5 years now, allows me to have a first experience in sales prospecting, negotiation and management of a mini-company.

STAGIAIRE BUSINESS DEVELOPPEMENT

Ambrose iO - New York, USA

- I worked on the audiovisual content and public relations of their media www.kulturehub.com
- Consultant in digital marketing development for some American clients
- Marketing Development Assistant on the Echo application: Relive your moments

FONDATEUR

Honity Agency "www.honity.fr"

Company I founded that connects influencers and brands to collaborate through marketing 2.0: Influence marketing. (2017-2018)

FONDATEUR

Sneak Clothing - boutique en ligne

Sneak Clothing was a clothing brand, we found designers from all over the world to offer quality, trendy and avant-garde clothing. (2016-2017)

BACHELOR INTERNATIONAL MRKT

UDEM - Monterrey, MEXIQUE

Year of academic exchange in partnership with the University of Monterrey. This exchange allowed me to take advantage of a new way of studying, to develop my language skills in English and Spanish, to develop my international network and finally to discover a new culture.

BACHELOR SCIENCES OF MANAGEMENT

IAE - Montpellier, FRANCE

The Bachelor of Science and Technology is a generalist and professionalizing training. It trains future managers in the field of Science and Technology Management

DUT BUSINESS TECHNIQUES

IUT - Montpellier, FRANCE

I was able to acquire skills in commercial law, logistics, purchasing and sales negotiation, operational and strategic marketing, digital marketing, communication and distribution.
